Big Drop in Attendance At Blood Clinic

The Red Cross Blood Donor clinic held here on Tuesday was preceded by a delicious dinner served to the local Red Cross executives, Delbert Thompson, Mrs. F. Hall and Mrs. I. Kitchen and Mrs. Jean McIntyre and her eleven assistants who form the staff of the mobile clinic, by Mrs. Eunice Snow, Mary Rasmussen and Clara Rolfsen of the 4th Ward R. S. At six thirty the Red Cross ladies started taking the donations that will mean the difference between life and death for some unfortunate person who is in dire need of life-giving blood.

The attendance at the clinic was much smaller than that of previous years but was considered satisfactory in view of the harvest operations going on at the present time. About 150 bottles of blood is about the usual number for Raymond but this year that was lowered to only 87.

The local Red Cross committee are in hopes that they will be given a little more time for preparation before the next blood donor clinic is held here. The quota set for Raymond this time was 200 which will be the mark aimed at during the next clinic.

Nolan McMullen Given Last Rites

Funeral services for the late Nolan McMullen, who passed away at Roy Utah, last Thursday, were held in the Stake House on Wednesday, October 10th, with Bishop J. O. Hicken conducting.

The opening prayer was offered by Bishop J. Golden Snow and was followed by an organ solo "I Am A Pilgrim" played by Rei Stone. John L. Allen and T. Geo. Wood spoke of the Gospel and the lives of Nolan and his wife, Jane, and their belief in the hereafter. Mr. Allen spoke of Nolan's devotion to his church work and how industrious and kind he was; of his musical talents and his patience in his suffering. Bishop Hicken told of how well-liked the family was in the communities in which they had lived and of the help they had given to all church organizations.

Jeanine Jensen sang "The Lord's Prayer" and a trio, Gen Hawkins, Laura Watson and Evelyn Melchin sang "Lead Me Gently Home". Mrs. Emma Dahl was accompanist for both numbers.

The closing song was "Let Us All Speak Kind Words" and the benediction was pronounced by Thomas T. Mendenhall. The choir was under the direction of Eleanor Hudson and was accompanied by Ethel Tolstrup at the organ.

The pallbearers were close friends of Nolan's: Winston Shaw, Alma Evans, Mel Depew, Shirley King, Reid and Grant Erickson. The grave at Temple Hill Cemetery, was dedicated by Patriarch W. A. Heninger. Christensen Bros. were funeral directors.

Poppy Day Will Soon Be Here

Once again this year The Canadian Legion is asking the people of Raymond to wear a poppy for remembrance. This is an excellent appeal, and one that should not be overlooked. During the years since Col. John McCrea wrote the challenging poem "In Flanders Fields" the poppy has taken on a peculiar significance. It has come to typify in many countries of the world the debt which we who live owe to those who died in battle.

One day in the year the people of Canada are asked to wear a poppy to show that they remember. One day in the year they are asked to pause briefly to honour the dead. That is little enough. While remembrance of the dead of the two wars is the spiritual aspect of the poppy, there is the other practical purpose of assisting the living, for the money raised

Little Shauna Melchin 2½ year old daughter of Mr. and Mrs. Gerald Melchin, is back to normal condition following the shock that resulted from her tumble out of a slow moving car driven by her mother. Last Thursday the little girl fell out of the back seat and although there were no scratches or bruises, she was in a state of deep shock for about twenty-four hours.

1st and 3rd Ward R. S.s Hold Opening Socials

The First Ward Relief Society enjoyed their Opening Social last Thursday afternoon with Mrs. Erna Schneider conducting the program arranged by Mrs. Minnie Litchfield. Opening remarks were made by Mrs. Virginia Holmes, after which Jean and Joan Holmes played a piano duet. Two comic readings were given by Mrs. Frank Ball followed by two solos by Jeanine Jensen. A comic reading by Mrs. Mae McMahon and another piano duet by the Holmes twins concluded the program, but not the Social as a lovely lunch was then served the ladies.

The Third Ward Relief Society's Opening Social was very enjoyable indeed. A lovely program arranged by Mesdames Evelyn Melchin and Betty Watson consisted of a solo "Sweetest Story In The World" by Mrs. Alice Court; a piano duet by Mesdames Emma Dahl and Maybelle Anderson Anderson "Dance of the Winds". A duet "Believe Me of All These Endearing Young Charms" by Doris Court and Nellie Rudd was followed by an interesting talk by Mrs. L. D. King about the life in Raymond in the early days.

"Rendezvous" was the song rendered by Emma Dahl, Ruth Salmon and Gladys Holt, followed by a reading "Mother" by Betty Watson.

A tasty lunch brought the afternoon to a close.

Della Helgeson and Joan Jessop spent last week visiting relatives in the U. S.

Lois Lybbert Weds Milk River Man

Wednesday evening at the home of Mr. and Mrs. Golden Snow, marriage vows were exchanged between Lois Lybbert, daughter of Mr. and Mrs. J. M. Lybbert, and James E. McCoy, son of Mr. and Mrs. John McCoy of Milk River. Bishop Snow officiated in the presence of immediate relatives.

The bride, given in marriage by her father, was lovely in a gown of white slipper satin with princess lines, lily point sleeves and a lace yoke. A sparkling corset caught up the dainty finger tip veil, and the bride carried a lovely bouquet of red roses and white carnations.

Mary Snow, gowned in pink satin and carrying a bouquet of white carnations was the brides only attendant. Donald McCoy, the groom's brother, was best man.

Mrs. Lybbert chose for her daughter's wedding, a navy blue afternoon dress accented by a corsage of pink carnations, while Mrs. McCoy chose a grey suit, also complimented by a pink carnation corsage.

A dainty lunch was served the guests immediately after the ceremony.

The Bride and Groom will make their home in Raymond.

Most of the students of the R.H.S. are really "digging in" to help with the late harvest this year. School has been dismissed for a two-week period to give the students a chance to help save the crops and we have heard that most of them are doing a fine job of it too! Good for them!

Burning Hay Stack Causes Lots of Trouble

Children playing with matches were responsible for the fire that caused approximately two hundred dollars damage to a barn and almost total loss of about fifteen tons of hay that was stacked nearby, on Wednesday. The hay and barn were owned by Jim Still.

The local firefighters answered the first call to the fire at about one o'clock Wednesday afternoon and continued to pour water on the stack until four o'clock. A bulldozer was used to spread the hay so that the fire could be controlled more easily. After an hour's respite the department was again called to the scene to do battle with the flames. The firemen used pitchforks to tear the watersoaked, yet still smouldering hay apart and after emptying another tank of water called it good.

At seven o'clock this morning (Thursday) the siren again shrieked its tale of woe to call early risers to the same old fire. The wind during the night and the intense heat of embers buried deep in the hay caused the flames to come to life again. This morning's watering from the fire truck seems to have completely killed the fire.

It is believed that the hay, which is almost a total loss, was covered by insurance.

David Innes was a very happy little boy last Friday on the occasion of his sixth birthday. A party for him and his friends included games and a tasty lunch.

Hi School Capers By Renae Rasmussen

A holiday has been declared! Yes, a rest from school for all R.H.S. students was decided by the school board. The doors will be closed for a period of two weeks to allow all students to get jobs on the farms and help with the harvest. The farmers of the Raymond district are in need of help in the beets—every available hand is needed so don't be afraid to soil your kids. Show them that we can, and will work, get out and help, and earn some money while your at it. Give them your very best, and show what you can do. After all, the grasshopper who wouldn't work in the fall starved to death in the winter.

However, all is not toil at the R.H.S. Recently a wonderful seminary party was held in the school gym. The very first of the year for the Freshmen, and it turned out to be a great success.

The Rotarians and Rotary Annes enjoyed an informal get together recently at the home of Mr. and Mrs. S. B. Card.

Myron Holmes and Warren Jones each showed their beautiful slides taken on their trips East last summer, after which a novelty lunch was served by the hostess.

Mr. and Mrs. G. S. Magee were special guests.

Mrs. Cal Hill was a guest at the home of Mr. and Mrs. Doris Stone over the holiday week-end.

On Monday Mrs. Stone, Mrs. Hill and Mrs. Selman motored to Cardston for the day.

Early Pioneers Honored On Golden Annivers'ry

Mr. and Mrs. L. D. King, who were happy newly weds on Oct. 9, fifty years ago, were again honored Tuesday evening when about one hundred and sixty of the many friends they have made in the intervening years, called at their home to extend their wishes for continued happiness. Mrs. King was lovely in an afternoon frock of pale blue crepe to which was pinned a corsage of pink carnations.

Mrs. Retta Walton and Mrs. Vivian King received the guests at the door and Bernice Dahl presided at the guest book. After a pleasant chat with Mr. and Mrs. King the callers were served a dainty lunch by Laura Watson, Gen Hawkins, Connie Mehew and Marjory Kinsey who were gowned in long dresses.

A beautiful three-layer wedding cake which graced the "brides" table was encircled by a bed of smilax. Cream tapers and bronze and yellow mums carried out the Golden Wedding theme and flanked the cake on either end of the table.

Ruth Salmon, Anne King, Betty Watson, Della Woolf, Marie Zemp, Joyanne Hill, Melba Mehew and Dora King also assisted in making this an occasion long to be remembered.

Louis D. King was called to Canada in 1901 as an M.I.A. missionary. On Oct. 9, 1901 he was married in the Salt Lake Temple to Elizabeth Eames. Together Mr. and Mrs. King travelled to Canada reaching Stirling Oct. 18th, traveling over the narrow gauge railroad. Chas. Ora Card immediately called Mrs. King to labor with her husband in the M.I.A., they being the first missionaries to Western Canada. Mr. and Mrs. King, in company with Zina Young Card and J. W. Woolf (Johnny) travelled by team to Raymond on Nov. 9, 1901 to organize the Y.M. and Y.L.M.I.A.

Mr. and Mrs. E. S. Hawk have as their guests this week Mrs. Leona Knight of Lethbridge and Mrs. Hawk's sister, Mrs. Sherwood, also of that city.

Gerald Litchfield Leaves for Britain

A Farewell Service was held recently in the First Ward for Gerald Litchfield who left last Tuesday for Salt Lake, and then the British Mission.

The first speaker was Parley Litchfield after which Della Paxman sang a solo, followed by a few remarks from Bishop Snow of the Fourth Ward. A piano solo was then rendered by Mrs. Ivory Burrows, followed by Gerald Litchfield who spoke briefly. His sister Josephine who recently returned from the British Mission also spoke, as did his parents, Mr. and Mrs. Ern Litchfield. Concluding remarks were made by Bishop Hicken.

The Turkey Shoot Was Successful

There was a very good crowd at the Turkey Shoot October 7th and all events went off very smoothly.

There was a total of 36 contestants and many of them were from other Southern Alberta towns.

Local turkey winners were Bill Schneid 2, Herb Wilde 2, (as well as a \$14.00 pot), Karl Wilde 2, Andy Sorenson 1, Harris Hall 1, and Jim Card 1. Winning visitors were Clayton from Warner 2, Clyde Holroyd Lethbridge 2, Joe Maughan, Lethbridge 1, R. Townsend, Macleod 3, L. Candy, New Dayton 2, G. Cooper, Macleod 1.

For the afternoon there was a total of \$385.00 taken in as well as \$219.00 for the raffle of the model 12 shot gun. The lucky winner of this fine shot gun was J. M. Lybbert of the Knight Ranch.

The money taken in for this shoot and raffle will be used for the purchase of an auto-angling trap and for better improvements to the shooting range.

President L. Larson wishes to thank all those that helped make this shoot successful, especially the referees, Wallace Wilde and George Garner, who called and marked each event without any trouble or protests from the contestants.

Indian Lore Is Theme Of Speech Festival

The Third Ward Speech Festival held Thursday evening under the direction of Mrs. Beth Zemp, Speech Director, and Mrs. Maybelle Anderson Music Director, followed an Indian Theme.

Lyman Jacobs gave the first talk on Indian Legends and The Book of Mormon, followed by a violin solo "Indian Love Call" by Bernice Dahl, after which Phoebe Dahl told an Indian Story. Indian Customs of Long Ago were described by Shirlene Graham followed by a piano duet by Mrs. Madge Fairbanks and her daughter Hazel, entitled "Indian Dance". Lee Brewerton said a number of Indian words and gave their meaning after Vilja Garner told her experiences with the Indians when she lived near them.

The concluding number was a debate: Resolved that Indians are Best Cared For On A Reservation; with Della Woolf and Ralph Walker taking the negative point of view, receiving top points from the Judge Dick Kinsey, Ruth Salmon and Bryant Heninger were on the affirmative side.

Congregational singing of Red Wing brought the evening to a close.

Mr. and Mrs. C. B. Smith accompanied by Mr. and Mrs. Brandon Smith of Albuquerque, New Mexico, motored to Barnwell last week to visit Mrs. Thelma Stevens.

Wilson Rolfsen Elected President of RAAA

The Raymond Amateur Athletic Association held its annual meeting at eight o'clock on Wednesday evening in the Town Hall. The main purpose of the meeting were to elect a new slate of officers for the coming year, and to discuss the local basketball situation. The result of the elections was that Wilson Rolfsen will head the R.A.A.A. activities this year with Max Heggie and Dee Rolfsen maintaining their position as vice-president and secretary respectively.

Following the election a general discussion of the sports scene in Raymond took place, with the fact that Raymond will definitely have a senior ball team being decided. No decision has as yet been reached in the matter of the league to be formed but it is thought that Raymond will join with Lethbridge and several American towns to form a league of their own. The fact that the Opera House has changed ownership may have some effect on future basketball plans.

It was decided at the meeting that the local association will continue to support boxing and track. It is hoped that in the near future a boxing circuit can be formed that would bring the many art of self defence into a more prominent position in the sporting activities of Raymond.

Mr. and Mrs. Derald Miller and family were guests at the home of Mr. and Mrs. Sid Orr of Macleod over the week-end.

Comrades Column

Our friend, the editor, requested by way of a twist of the arm that the column be resumed at once following a short period of summer dog days with a few duck days thrown in for good measure.

Legion activity got off to a good start last Wednesday evening when an organizational meeting was held at the Legion Memorial Hall. Only a few members were present, what with harvest and factory run going on at the same time many members were a bit on the busy side. As a result of the small attendance nearly everyone there was given a job of some nature.

As the new president-elect, John Hallawell will direct Legion affairs for the year 1952. Working along with him will be Paul Woolley and Vaughn Taylor as vice-presidents, Ray Attwood and Harry Hall were elected secretary and treasurer with George McGilvary as sergeant-at-arms.

Municipal Council Notes

The Sugar City Municipal Council held their regular monthly meeting at the Municipal office in Raymond on Tuesday, October 9, with all members of the council except K. L. Peterson, present.

The council held a court of revision of taxation and heard six appeals with some adjustments being made. Gordon Kelso, resident engineer, met with the council to request permission to have gravel hauled from Temple Hill to be used on the Welling Road. The council gave its permission provided the town was willing. Mrs. Della Woolf, representing the cemetery board, presented a request for assistance from the council who agreed to make grants to cemeteries in the municipality.

It was learned at the meeting that the PFRA will build a drainage system to take care of the run-off water in the area north-west of Raymond.

Current tax collections are slightly higher than last year's with \$242,164 being taken in this year compared to \$241,947 last year — a difference of only \$217.

The Municipal Convention will be held in Calgary this year from the 12th to the 14th of November and most of the members of the Council are planning to attend these meetings.

LAST RITES

(Continued on page two)

A large congregation were present to pay their last respects, with friends coming from Utah, Barnwell, Taber, Picture Butte, Lethbridge, Edmonton and other points. The abundance of floral tributes was evidence of the high esteem held for the family.

Mr. McMullen is survived by his wife, the former Jane Walker, whom he married ten years ago in the Alberta Temple, and five children, Bradford, Spencer, Faris, Ronald and Nola Kay as well as his parents, Mr. and Mrs. Wesley McMullen and one brother, Bob, and three sisters, Mrs. Dick O'Brien, Mrs. Fred Turner and Mrs. Gordon Scoville. He was predeceased by a bother, Don, who was killed in an accident at the factory several years ago.

Nolan was working as a druggist in Roy, Utah at the time of his death.

Mrs. McMullen plans to make her home in Raymond after attending to her affairs in Utah.

GOLDEN ANNIVERSARY

(Continued from page one)

They were present at the first meeting presided over by the newly appointed bishop, J. W. Knight, which was held Sunday, November 10 in the store of Chas McCarthy where they sat on slabs of lumber, boxes etc. The next year, September 14, 1902, Mr. King was sustained superintendent of the Raymond Sunday School, a position he held for many years.

He was made vice-president of the Raymond Opera House when it was built in 1909 and in 1912 he became manager until 1921. Mr. King was also president of the board of trade three times and an active member of the town council in those early days. In June, 1912, when the Raymond ward was divided he was chosen 1st councillor to bishop J. W. Evans.

King Brothers, L.D. and T.O., built the second mercantile establishment in Raymond in 1902 and continued in that business until 1921. In 1918 they went in the garage business and have continued in that line to the present time.

Mr. King was manager of the Raymond Athletic Association in 1922. He was also manager of the Raymond Stampede for a number of years. He was Post Master from 1912 to 1948.

In 1946 he was presented with a Longenes wrist watch for 25 years service with the Ford Motor Company and in 1951 McColl Frontenac presented him with another Longenes watch.

Mrs. King began her work among the young people at the age of 16. When she was teacher in the Sunday School and counsellor in the Y.L.M.I.A. before marriage and with the exception of a few years as a member of the Stake Relief Society Board she has spent 48 years laboring with the youth of her church.

Part of that time she was president of the Raymond Primary 1904-1906. 1906-1913 she was first counsellor to Mrs. H. S. Allen in the Stake Primary.

When the Y.L.M.I.A. was organized in 1903 she became a member of the first organization under Jennie B. Knight and has worked in the M.I.A. with each president of the Taylor Stake since, in some capacity, including Zetella Taylor, the present president.

She has been ward President of the Y.W.M.I.A., stake president and counsellor, Stake Gleaner and Special Interest leader and is at present stake Historian of the YWMA. She also taught classes in the Sunday School and M.I.A. for over 20 years. She received the first honorary Golden Gleaner pin and award in the Taylor Stake.

Elizabeth King has written the history of Raymond and on this, the 50th anniversary of the town she presented the town officials with a large scrap book history.

Mr. and Mrs. King have seven living children and 15 living grand children, and are at present enjoying good health and the love of their fellow townspeople.

We join with the rest of their many friends in extending our best wishes for their continued happiness.

POPPY DAY

(Continued from page 4)

through the fund is used for emergency assistance to veterans and to families of veterans.

While it is true that veterans under certain circumstances have the advantage of specific legislation, such as war veterans' allowance, it should be remembered that when an emergency crops up in any family, speed is the essential requirement in providing assistance.

There are many cases on record with the Poppy Fund where the necessary assistance has been forthcoming in a matter of hours. It should be remembered also that there are many many worthy veterans who hesitate to apply to any of the organized charities. Many of them have twice gone into uniform, and have given ten years from their productive life to the service of their country. Through the comradeship of the Canadian Legion their needs are learned, and the assistance is forthcoming. It should be remembered too, that while the Poppy Fund is a national appeal the money raised locally is used locally to assist veterans and their families.

The Legion slogan, "Wear a Poppy for Remembrance" is a good slogan. It is one that deserves the support of every citizen.

By wearing a poppy this Remembrance Day you can pay tribute to those who lost their lives in the service of their country.

Join with The Canadian Legion at the Cenotaph this November 11th in honouring Canadian heroes by dedicating a poppy wreath.

A great many people are concerned that King George is working so hard that he is damaging his health. Fathers who toil until they are tired out at the end of the day to earn shelter food and clothing for their loved ones, know that the head of the empire is no shirker either. Neither is the Queen and she has fulfilled her duties as a thoughtful wife and faithful mother along with the demands of her high office.

In their plans for the formal education and home training of Princess Elizabeth and Princess Margaret Rose, the King and Queen, and also the Queen Mother, have shown their good judgment. The heir apparent has gone through a rigorous preparation for her public duties. Her love match with Prince Philip, the arrival of first their baby son Prince Charles, followed by their daughter, show the importance of homemaking in Princess Elizabeth's scheme of things.

The industrial age has given people much more leisure than their grandparents, and the wise use of free time is of great importance. The British royal family have done much to encourage cultural pursuits and athletic activities.

Hobbies have their place even in a busy King's life and the late King George had a very outstanding stamp collection. The Queen Mother, by her own proficiency in needlework, as shown in her beautiful carpet has set an example for her subjects in many lands.

The Coronation Ceremony is a deeply significant one, not just for its rich pageantry but because of its spiritual nature. It is held in that great home of religion, Westminster Abbey.

Ever since he came to the throne King George and Queen Elizabeth have been faithful in their attendance at divine worship.

On various occasions the King has revealed that he is a deeply religious man. No one who ever heard his Christmas broadcast of 1939 will forget the choice quotation with which it opened.

These words leaped from obscurity to fame and showed the Empire and the world that the King looked to the Heavenly King for guidance and help. "Wall mottoes are considered 'old fashioned', but here is a quotation which every thoughtful citizen and older boy or girl might well hang on the 'Wall of Memory'.

"I said to the man who stood at the gate of the year

"Give me a light that I may tread safely into the unknown,"

And he replied, "Go out into the darkness and put your hand into the hand of God. That shall be to you better than light and safer than the known way."

Thursday evening Mr. and Mrs. Carlyle Litchfield entertained at a chicken dinner for Doran Flexhaug and Jimmy Kabota who leave on missions to Norway and Japan respectively. The remainder of the evening was spent playing Rook and Horsefeathers.

Miss Florence Graham was also a guest.

COMRADE COLUMN
(continued from page one)

A full program of Legion activity is planned for Armistice Day weekend. The annual Veterans' Dinner will be held at the hall on Saturday, November 10, to which all veterans are invited to attend. The following day, Nov. 11 will be marked by a memorial service at the Cenotaph followed by a church parade. On Monday a turkey shoot is planned followed by a holiday dance at the Opera House. A full weekend and all veterans and the public are invited to participate. Full details will be announced later.

Just a reminder that November 3rd will be Poppy Day in Raymond. The need this year is greater than ever. The war in the East, together with the ever expanding armed forces has increased the responsibilities and obligations of the Legion no end. Your dime or quarter does make a difference. To those interested in purchasing Remembrance Wreaths, orders may be placed at Sugar City Motors or Thompson Furniture.

QUICK CANADIAN FACTS

1. Is Labrador larger or smaller than the island of Newfoundland?
2. In dollar value which is our most important fur bearing animal?
3. Is wheat Canada's leading export?
4. Does the personal income tax pay for most of federal government spending?
5. Are our largest islands in the Pacific, Atlantic or Arctic Ocean?

ANSWERS: 1. In the Arctic Ocean. 2. Newsprint, not wheat, leads our exports. 1. Labrador is almost three times as large. 4. No—for only about one-fifth. 5. Mink.

(Material supplied by the Editors of Quick Canadian Facts, the handbook of facts about Canada.)

OTHER WINTER TIRES

...brought to you through

B.F. Goodrich
Research

THE NEW Mud-Snow Tire, developed by B.F.G. research, has a radically different, scientifically designed tread.

Traction tests—made with other leading brands of tires under supervision of a famous independent testing organization—proved that the B.F.G. tire STOPS QUICKER ON SNOW... STOPS QUICKER ON ICE... PULLS BETTER IN MUD OR SNOW.

Get B.F.G.'s today! For sure, safe traction on ice and snow—to get you through mud and slush.

TRADE PACTS MEANINGLESS

Canada has protested formally against a recent Washington amendment which is a clear violation of the Geneva Trade Agreement. The legislation in question, was backed by the Wisconsin dairy lobby, and is aimed directly at slashing imports of Canadian cheese and dried milk, which have shown promising growth following Geneva.

This is not the first instance of American pressure groups attempting to block trade concessions fairly and openly secured by Canada in exchange for concessions granted, declares The Financial Post. There was interference with aluminum and potatoes. There have been constant threats against other products which we have been selling in growing volume to the United States.

Protests and threats of retaliation offer poor hopes of increasing either trade or goodwill but there seems to be no alternative for Ottawa in the present case.

Certainly if we tamely submit every time some Washington lobby fears a little healthy competition, then we might just as well forget all about international trade.

Mr. and Mrs. Pat Walker of Vulcan were recent week-end visitors at the home of Mrs. Walker's brother-in-law and sister, Mr. and Mrs. Derald Miller.
